

Bank Of America Create Art Award 2010

Call for Submissions

The Bank of America CREATE Art Award is the largest participatory art award in the UK. This annual award helps artists living or working within the London 2012 host boroughs to deliver brand new public art commissions as part of the CREATE Arts Festival. The award aims to open up exciting opportunities for artists to work with their neighbours: the residents of the London 2012 host boroughs. In turn, it gives local people a chance to engage with major art projects happening in their neighbourhoods.

We are now inviting submissions for a participatory art project from artists who live or work in one of the five host boroughs. Integral to the award is the active participation of people who live in each of the five boroughs. The final piece can be permanent or temporary and we welcome proposals from artists working in all media.

Deadline for submissions: 5pm, 2 September 2009

- The commission will be made in October 2009
- The work must culminate in July 2010 as part of CREATE10
- The total value of the commission is £40,000
