

Join Cubitt Education for the launch of

Public Wisdom

A THREE-YEAR PROGRAMME OF WORKSHOPS, EVENTS AND COMMISSIONS IN WHICH LOCAL ELDERS WILL RE-IMAGINE THE PUBLIC REALM IN ISLINGTON

Thursday 8th of December 2011 4-7pm

Islington Town Hall. Upper Street. London. N1 2UD

Cubitt Education runs a programme of art workshops for older people at community centres across Islington. Public Wisdom has emerged from this work: as a series of projects exploring how older people can contribute fully and creatively to local public life.

The launch will provide opportunities to learn more about Public Wisdom and find out how to get involved, alongside: *An exhibition of work in which members of Cubitt Seniors Art School at Claremont Project have re-imagined the spaces around Angel and Islington Green and drawings produced by older and younger artists during a visit to Islington's full Council meeting on 30th June 2011*

Public Wisdom is supported by the Baring Foundation, the Monument Trust and Arts Council, England, and organised in partnership with Islington Council, Claremont Project and other local community organisations.
